

Dear Parents-

We are pleased to announce that your child has the opportunity to take a fun and educational trip to Philadelphia, PA and Washington, D.C. with his or her classmates, November 7-12, 2017. This is an exciting once-in-a-lifetime opportunity for your child to discover American history firsthand. They will interactively be able to fully grasp what we are learning in the classroom.

We will be leading our tour with other chaperones, as needed. We will be working with NationsClassroom, a professional student travel organization, to plan every aspect of our tour. Specializing in educational tours, they have been working with us throughout the planning stages and will continue to help us with every detail of our tour. NationsClassroom staff members will be present throughout our tour in order to ensure everything goes smoothly. They will also be providing night security on each floor of our hotel, in addition to the hotel staff at night. There is a great deal of helpful information about educational tours on the NationsClassroom website. Please visit www.nationsclassroomtours.com to learn more about what to expect.

Our educational tour promises to be an inspiring experience the students will remember for the rest of their lives. If you have any questions, please feel free to contact us at school.

Best Regards,
Alyssa Bruck and Sarah Kiefer
