I have all of my assignments written in my agenda.					
I brought home all the materials I needed to do my homework.					
I spent at least 1 hour at night doing homework.					
I checked off my completed work in my agenda to make sure I didn't miss anything.					
I began studying for any tests I have this week.					
I placed all completed work in either a "homework folder" or the correct notebook to turn in tomorrow.					
I packed up my book bag the night before, so that I was ready in the morning.
